Funding & Cost options

Option 1 Charity Sponsorship

Pay a low registration fee & do 'lots' of fundraising for a chosen charity. The charity covers your event place cost.

An ideal option if you feel you can raise lots of money for your chosen charity.

- **FULL CHALLENGE:**
£15 Reg Fee online
+ at least £595
Fundraising target
- **HALF CHALLENGE:**
£10 Reg Fee online
+ at least £395
Fundraising target
- **QUARTER CHALLENGE:**
£5 Reg Fee online
+ at least £245
Fundraising target

Note: At least 50% of the Min Sponsorship target should be with your Charity by 6 weeks prior to the Challenge. At this time your Charity will pay a Fee for your place to the Organiser (similar to the Self Funding cost). Failure to meet the 50% target may result in cancellation by your charity. The remaining 50% should be with your Charity 4 weeks after the Challenge.

Option 2 Mixed Funding

For those who wish to pay more of the cost themselves, and fundraise a bit less.

An ideal option if you feel you can raise lots of money for your chosen charity.

- **FULL CHALLENGE:**
£99 Reg Fee online
+ at least £299
Fundraising target
- **HALF CHALLENGE:**
£64.50 Reg Fee online
+ at least £199
Fundraising target
- **QUARTER CHALLENGE:**

+ at least £119
Fundraising target

Note: At least 50% of the Min Sponsorship target should be with your Charity by 6 weeks prior to the Challenge. At this time your Charity will pay a Fee for your place (equates to 'half' the Self Fund cost). Failure to meet the 50% target may result in cancellation by your charity. The remaining 50% fundraising should be with your Charity 4 weeks after the Challenge.

Option 3 Self Funding

You pay full event place cost when you register. No fundraising required, but you can if you wish to!

For those wanting to do it for themselves. You can still do a bit of fundraising on the side!
