YOUR START

You'll be called into the 'Start Pen' about 15 mins before your official start time for photos, a safety briefing, and warm up. Then you'll be set off in a 'wave' of about 250 or so challengers (for those on the Saturday start slots)

Supporters at the Start

Supporters are welcome at the start – but are not allowed in the marquee area, and there will be a separate 'Supporter Zone' (with tea / coffee)

THE ROUTE

Will be marked with pink arrows, ribbons, flags & signs. Equally important - you'll have access to a **Google route map via the Challenge APP** (and a QR code on the Route Card). A mobile phone is therefore **essential** – ideally with a back-up battery pack – which are readily available these days!). With the right phone settings, your 'blue dot' location shows up relative to the route – so you'll always be able to figure where you are!

Google Map (s)

These will be finalised & enhanced with useful information.

GPX file

You will be able to download the final GPX file of the route to upload into GPS type devices (Garmin's etc). This will be available from Monday 23 May via the App & website.

[CLICK HERE TO VIEW 'ROUTE' >>>](#)

NOTE: The Route(s) is **subject to change** in the lead up to the event – and potentially close to the start date - so please always follow the **signage on the day**. We've plotted the route various devices to get the 'best' plot, and please be aware that some GPS devices tend to overstate distance on relatively slow, long, walking / hiking type activities – and it's best to turn off the device when you are stationary for long periods (ie – at rest stops)

Hazards on Route

Hazards exist in many guises – on footpaths, pavements, and on roads! Look out for: Traffic (cross roads in the correct places); slippery surfaces on footpaths (it may be wet); styles (can be tricky); steep slopes; other pedestrians / dogs – and clearly darkness / night time brings additional challenges – so you **must bring a head torch!** Be careful – and always err on the cautious side, and look, listen & think ahead, as for most, this event is NOT a race – and we want to see everyone safely at the finish line!

Timing & Tracking

You'll be issued with a timing pass & lanyard to be worn around your neck. This will be scanned at the start / finish & at rest stops. You must go through all check points for your tracking profile to be updated. Friends & family will be able to view your progress through rest stops, and this link will be available via the **App** and the website on Thursday 26 May.

'What's App' & 'What 3 Words'

The route is relatively remote in places & post codes often 'don't work' that well – so having access to (and knowing how to use) – **'What's App'** location functionality and **'What 3 Words'** (which is a well-known location type app) are both very useful in case you need to give your specific location to a supporter (i.e. to meet or pick you up) - or to our **Control Room**. Please check these out if you are not familiar with them – and download these clever apps on to your phone!

Food & Drink at the Challenge Rest Stops

All dietary requirements are catered for (ask if it's not apparent!) – and if you want more food at the main rest stops – PLEASE ASK FOR IT – as our catering team is there to help!

If you have a favourite snack which 'hits the spot', perhaps keeps you going when you might not feel like eating other food – then it's not a bad idea to bring some of it with you! Please clear & dispose of all **your rubbish** in the sacks / bins provided at all the venues.

Medical Facilities

Our team of medics will be at all the Rest Stops – with mobile resources deployed for any serious incidents. You should bring your own small first aid kit – and always deal with blisters as soon as you feel a 'hot spot' (don't wait till you get to a rest stop!). There's a massage service at the Tulleys Farm 56km 'half way' point & at the main finish in Brighton (10 min slots – booked on arrival at that venue)

DROP OUT PROCEDURES, CUT OFFS, RULES

During the event there will be a Control Room in operation. Please ensure that you save the important phone numbers prior to the Challenge.

Emergency Number (if you are injured but non-life threatening): **0203 915 6682**

Control Room No. (For non-emergencies i.e. you are lost): **0207 609 6695**

Drop out SMS / Whats App (To say you're retiring etc): **07931 466 138**

Life Threatening Incidents - CALL 999 first, then the emergency no. above

Exiting / Retiring from the Challenge

If you need to exit / retire from the Challenge, please inform Event Staff or by Text SMS to the number provided on the Route Card – procedure details below. The ideal place to retire is at any Rest Stop – so unless it is an absolute emergency please do your best to carry on to one of these stops.

There will be shuttle buses picking up those who have retired from the event from beyond the 25km Oaks Park rest stop onwards, to take you to a local station (from 25km), Tulley's Farm rest stop (from 41km) or Three Bridges Station (56km), or the Brighton Racecourse finish from beyond the 67km rest stop . However, these buses will be doing round trips stopping at all rest stops on the route, so this may involve a wait during busy times.

If dropping out at a Rest Stop / Mid Point

Go to the **'Information Point'** and hand in your Event Pass. Staff will provide details of shuttle services or other ways to exit. The shuttle service is only available from the 25km point onwards - before that point, retirees will need to make their own travel arrangements, unless in an emergency when we will have vehicles and medics available.

If exiting the event on the course

If you need to exit / retire from the challenge, please inform event staff OR text the 'Drop Out' number provided on the Event Pass with your **NAME, BIB NO. APPROX KM** and **TIME**, along with the words **'DROPPING OUT'**. Please include details for team mates also exiting the vent if applicable.

Other pick up points

If you are physically unable to make it to the next rest stop – we will have a number of strategically designated 'pick up points' (that our vehicles can access) – which will be detailed on the Google route map (and detailed on the route card, and the Control Room can direct you). Pick-ups from these points will just move you to the next rest stop – and at that point **your challenge will finish** (they cannot be used to 'get a lift').

Cut off times

The Event will have cut off departure times from based on the 34 hour upper end time (Full Challengers), 18 hrs for the 1st Half (56km), 14 hours for the 2nd Half (44km), 8 hours for the 1st Quarter (25km) Challenge. If anyone fails to meet these cut off times, the Organiser reserves the right to withdraw participants from the Event. We will, however, do everything we can to ensure that anyone who wants to continue can do so as we are fully aware of what 'finishing' means to many.
