A fantastic 'South West' summer challenge for 2024 – taking in the first Minehead section of the famous 630 mile Coastal Path, and with an extensive 'basecamp' in the shadows of the impressive Dunster Castle. The 50 km loop then heads over Exmoor with ups & downs and some magnificent views with over 1600 metres of climb. Experience complete support throughout the entire event, with 25 km options available and a family-friendly 10K event. Weekend camping packages and festival-style hospitality at basecamp are included, making the South West Coast Ultra Challenge accessible and enjoyable for all!

New routes added for 2024.

“Brilliant challenges, fabulous support and organization.”

“The organisation was outstanding, checkpoints were incredible and the volunteers were super supportive.”

Distance options

The Full 50 km loop challenge, with over 1600m of climb, starts from our basecamp beneath Dunster Castle, and heads to the coast and the official Minehead start of the famous 630 mile South West Coastal Path. The coastal path provides fantastic views across the Bristol Channel towards South Wales in the distance. The historic village of Porlock marks the half way point – then it's through forests and into the beautiful Exmoor National Park. Across moorland and a climb up Dunkery Beacon – Exmoor's highest point – with amazing panoramic views, before descending towards Minehead and onto the finish line on the lawns below Dunster basecamp where a very welcome finish line celebration awaits. With half (25 km) options available, weekend camping packages at our basecamp, a family friendly 10K event, a bar, food, music & entertainment – there's a summer festival feel on this challenge!
