KEY PRE-EVENT INFO....

Start times

For anyone registered **before 6th May 2023**, you should receive your allocated start time sent via **EMAIL** on Tuesday 7th May.

We will allocate start times as close as possible to the slot selected when registering - and at most (in a few instances) there may be a half hour difference from that original choice.

check your 'junk' inbox first - and then check that **your name** is on the Start Time List (which will be in the App & Participant Area of the website). If it is, your Start Time is detailed there, and there's no reason to worry or contact us - as that time will be confirmed on your **E-Ticket**.

If your name is **not** on the Start Time List - **OR** in legitimate **exceptional circumstances**, you'd like to request a '**Start Time Amendment**' **OR**, there seems to be a problem with some of your Team's start times - then please complete the **online form** by **5pm Monday 20th May** at the **latest** - available on the app & in the participant area.

At Registration

- Arrive 1 hour prior to your start time.

- You **MUST** present your **E-TICKET**
- Collect your **EVENT PACK** (Event & timing pass, lanyard, bib, route card)
- You'll also get a souvenir **Lake District Challenge neck buff**.
- Detail critical **medical details** on the reverse of bib (*i.e., serious conditions / allergies*)
- E-Tickets are **NOT** transferable - we may ask for ID.
- **PHOTO ID MUST BE PROVIDED FOR THOSE ON A MULTI-DEAL**
- You must come with at least **2 litres of water** (bottles / camel back).

You'll be called into the '**Start Pen**' about 15 mins **before** your official start time for a safety briefing & warm up - and then you'll then set off a 'wave' of about 250 or so challengers.

Note - if you arrive more than 1 hour before your start time, you'll have to wait outside the marquee basecamp area / or in your car - so 1 hour prior is perfect! If you registered on the Friday, you can arrive 30 minutes before your start time if that suits you better.

THE ROUTE

Will be marked with pink arrows, ribbons, flags & signs. Equally important - you'll have access to a **route map via the Challenge APP** (and a QR code on the Route Card). A mobile phone is therefore **essential** - ideally with a back-up battery pack - which are readily available these days!). With the right phone settings, your 'blue dot' location shows up relative to the route - so you'll always be able to figure where you are!

Google Map

This will be finalised & enhanced with useful information prior to the Challenge.

[**CLICK HERE TO VIEW OUR 'ROUTE MAP' >>**](#)

GPX file

You will be able to download the final GPX file of the route to upload into GPS type devices (Garmin's etc.). This will be available from the week of the challenge via the App & website.

NOTE: The Route is **subject to change** in the lead up to the event - and potentially close to the start date - so please always follow **the signage on the day**. We've plotted the route various devices to get the 'best' plot, and please be aware that some GPS devices overstate distance on relatively slow, long, walking / hiking type

activities – and it's best to turn off the device when you are stationary for prolonged periods (i.e. – at rest stops)

Hazards on Route

Hazards exist in many guises – on footpaths, pavements, and on roads! Look out for: Traffic (crossroads in the correct places); slippery surfaces on footpaths (it may be wet); styles (can be tricky); steep slopes; other pedestrians / dogs – and clearly darkness / nighttime brings additional challenges – so you **must bring a head torch!** Be careful – and always err on the cautious side, and look, listen & think ahead, as for most, this event is NOT a race – and we want to see everyone safely at the finish line!

Timing & Tracking

You'll be issued with a timing pass & lanyard to be worn around your neck. This will be scanned at the start / finish & at rest stops. You must go through all check points for your tracking profile to be updated. Friends & family will be able to view your progress through rest stops, and this link will be available via the **App** and the website on Thursday 6th June.

WhatsApp & What 3 Words

The route is relatively remote in places & post codes often 'don't work' that well – so having access to (and knowing how to use) – '**WhatsApp**' location functionality and '**What 3 Words**' (which is a well-known location type app) are both very useful in case you need to give your specific location to a supporter (i.e., to meet or pick you up) – or to our **Control Room**. Please check these out if you are not familiar with them – and download these clever apps on to your phone!

Food & Drink at the Challenge Rest Stops

All dietary requirements are catered for (ask if it's not apparent!) – and if you want more food at the main rest stops – PLEASE ASK FOR IT – as our catering team is there to help!

- **Start** (Kendal): Hot drinks, biscuits (Plus - breakfast vendor)
- **~29km Stop** (*AmbleSide*) – Full / 1st Half Challengers, picnic lunch.
- **~29km Finish** (*AmbleSide*) – 1st Quarter & 10k finishers, picnic lunch

- **Other Rest stops:** Longsleddle (10km) / Fold Farm (42km) / Cartmel Racecourse (66km) & Low Levens (86km): Good mix of snacks (inc. bakery / fruit / cut fruit / protein bars / chocolate / sweets/savoury) - and hot drinks / water/ squash / energy drink.

If you have a favourite snack which 'hits the spot', perhaps keeps you going when you might not feel like eating other food - then it's not a bad idea to bring some of it with you! Please clear & dispose of all **your rubbish** in the sacks / bins provided at all the venues.

Medical Facilities

Our team of medics will be at all the Rest Stops - with mobile resources deployed for any serious incidents. You should bring your own small first aid kit - and always deal with blisters as soon as you feel a 'hot spot' (don't wait till you get to a rest stop!). There's a massage service at the Lakeside, Windermere 50km 'halfway' point & at the main finish in Kendal (10 min slots - booked on arrival at that venue)

FINISH LINE & DEPARTING

All finishers will get a well-earned medal, glass of fizz and a meal.

Note - Runners / Fast Joggers:

Runners on the Full ~100km Challenge will finish somewhere between 6:00 - 11:30pm on Saturday. For those arriving at the finish line when the trains are not running, there will be a quiet area available for participants to rest until the first train on Sunday morning or fast finishers can book a camping place at Kendal. Please bear in mind that as the runners arrive relatively spread out at the finish line, the finish line can be quiet at times (so do ask your supporters to join you!)

DROP OUT PROCEDURES, CUT OFFS, RULES

During the event there will be a **Control Room** in operation. Please ensure that you save the important phone numbers prior to the Challenge.

Emergency Number (if you are injured but non-life threatening): **0203 915 6682**

Control Room No. (For non-emergencies i.e., you are lost): **02076096695**

Drop out SMS / WhatsApp (To say you're retiring etc.): **07931 466 138**

Life Threatening Incidents - CALL 999 first, **then** the emergency no. above

Exiting / Retiring from the Challenge

If you need to exit / retire from the Challenge, please inform Event Staff or by Text SMS to the number provided on the Route Card - procedure details below. The ideal place to retire is at any Rest Stop - so unless it is an absolute emergency, please do your best to carry on to one of these stops.

There will be shuttle buses picking up those who have retired from the event from the 29km Ambleside rest stop onwards, to take you to the next major Rest Stop - where (if required) you can book on to one of the Shuttle Transfer Busses to get back to Kendal (if needed). However, these buses will be doing round trips stopping at all rest stops on the route, so this may involve a wait during busy times.

If dropping out at a Rest Stop / Mid-Point

Go to the **'Information Point'** and hand in your Event Pass. Staff will provide details of shuttle services or other ways to exit. The shuttle service is only available from the 30km point onwards - before that point, retirees will need to make their own travel arrangements, unless in an emergency when we will have vehicles and medics available.

If exiting the event on the course

If you need to exit / retire from the challenge, please inform event staff OR text the 'Drop Out' number provided on the Event Pass with your **NAME, BIB NO. APPROX KM** and **TIME**, along with the words **'DROPPING OUT'**. Please include details for team mates also exiting the event if applicable.

Other pick-up points

If you are physically unable to make it to the next rest stop - we will have a number of strategically designated 'pick up points' (that our vehicles can access) - which will be detailed on the Google route map (and detailed on the route card, and the Control Room can direct you). Pick-ups from these points will just move you to the next rest stop - and at that point **your challenge will finish** (they cannot be used to 'get a lift').

Cut off times

The event will have cut off times based on a maximum walking time for each challenge. Please see a breakdown of the different challenge options and related maximum walking times. Please use this table as a guide and pick an appropriate start time to enable you to meet the cut off times. Please note that rest stops may also operate cut off times to help keep all participants on track.

LAKES					
Challenge	Distance	Max Walking Time (hours)	Finish Location	Finish cut off time	Day
FULL	100	34	Kendal	22:00	Sunday
1st half	50	15	Lakeside YMCA	2:30	Sunday
2nd Half	50	15	Kendal	22:00	Sunday
1st Quarter	29	9	Ambleside	19:00	Saturday
Lakes Marathon	42	12	Ambleside	21:00	Saturday
Ambleside 10K	10	3	Ambleside	-	Saturday

If anyone fails to meet any of these cut off times, the Organiser reserves the right to either withdraw participants from the Event or move participants forward to re-align back within the cut off times. We will, however, do everything we can to ensure that anyone who wants to continue can do so as we are fully aware of what 'finishing' means to many.

Event Rules

There aren't too many rules - but the ones we have are important. Please make sure you familiarise yourself with these rules and our Ultra Code before the Challenge:

- Do not attend the event if you feel ill - or have an infectious disease.
- Your Bib & Event Pass must be worn at all times.
- You must have a mobile phone with you & the app installed (+ WhatsApp / 3 Words)
- You must carry a back-up power pack for your phone.
- Participants must ensure they are hydrated, fed & rested before commencing any stage of the event and report any concerns to an Event Medic or Event Staff

- All Full, Marathon & Half Challengers **MUST** carry a head torch and wear it during the hours of darkness.
- **NO DOGS** (or pets of any kind) anywhere on the Challenge or route - we do not have permissions from landowners, venues and/or farmers to have any kind of animal on the route so pets of any kind are not allowed.

- The Event Organiser reserves the right to operate a 34-hour cut off time for all participants attempting the Full Challenge - with other Rest Stops closing times in accordance with this time frame (as set out above).
- No individual should leave a rest stop alone during the hours of darkness - you must be with a TREK MASTER-guided group or be part of a team.
- The Organiser reserves the right to officially remove a participant from the Challenge if, in their reasonable opinion, the participant's actions or behaviour is likely to significantly impact the wellbeing of other participants, staff, suppliers, or members of the public - or will bring the reputation of the event and / or the event organiser into disrepute.
- If any participants are encouraging, or hosting 'non-registered challengers' to take part in the challenge alongside them in some way and are seen to be passing food /drink to them - all involved will be disqualified, all our services will be immediately withdrawn, offenders will be removed from our venues, and no refunds of any kind will be made.
- Ultra-Challenge Participants who have entered the challenge on a **MULTI DEAL MUST PROVIDE PHOTO ID** at registration or risk losing their place on the challenge.

The Ultra Code

It is important to remember that the route goes through public footpaths and can run close to private property. In respect of this, please be sure to always follow the Ultra Code:

- **No littering at all** - bring a bag to use for your litter - and dispose of at rest stops.
- **Always shut gates behind you**
- Be considerate of local residents, making sure to keep noise levels down.
- Use the toilets provided (and use them properly!) - and not on the route!
- Respect private property (keep out)
- Beware of roads - and always cross in the correct places.
- Be considerate of other walkers on the route who may not be taking part.
- Be aware of cattle / sheep (there's quite a lot in the Lake District!)

SUPPORTERS AT REST STOPS

There will be supporter zones at:

Kendal basecamp (main start / finish), Ambleside (29 km), YMCA Lakeside, Windmere (50 km 'halfway') and Witherslack (79km).

At other Rest Stops there's **no supporter access** (unless for a drop out / retiree pick up).
