## YOUR START

You'll be called into the '**Start Pen**' about 15 mins **before** your official start time for photos, a safety briefing, and warm up. Then you'll be set off in a 'wave' of about 300 or so challengers (for those on the Saturday start slots).

## Supporters at the Start

Supporters are welcome at the start but are not allowed in the marquee area, and there will be a separate 'Supporter Zone' (with tea / coffee)

## THE ROUTE

Will be marked with pink arrows, ribbons, flags & signs. Equally important - you'll have access to a **Google route map via the Challenge APP** (and a QR code on the Route Card). A mobile phone is therefore **essential** and ideally with a back-up battery pack which are readily available these days! With the right phone settings your 'blue dot' location shows up relative to the route so you'll always be able to figure where you are - or should be!

### Google Map (s)

These will be finalised & enhanced with useful information.

[CLICK TO VIEW 'ROUTE' >>](#)

### GPX file

You will be able to download the final GPX file of the route to upload into GPS type devices (Garmin's etc). This will be available the week prior to the challenge.

**NOTE:** The Routes are **subject to change** in the lead up to the event - and potentially close to the start date - so please always follow **the signage on the day**. We've plotted the route various devices to get the 'best' plot, and please be aware that some GPS devices tend to overstate distance on relatively slow, long, walking / hiking type activities and it's best to turn off the device when you are stationary for long periods (i.e. - at rest stops)

### Hazards on Route

Hazards exist in many guises - on footpaths, pavements, and on roads! Look out for: Traffic (crossroads in the correct places); slippery surfaces on footpaths (it may be wet); cliff edges; stiles (can be tricky); steep slopes; other pedestrians / dogs. Darkness / nighttime brings additional challenges so you **must bring a head torch!** Be careful and always be on the cautious side. Look, listen & think ahead, as for most, this event is NOT a race and we want to see everyone safely at the finish line!

### Timing & Tracking

You'll be issued with a timing pass & lanyard to be worn around your neck. This will be scanned at the start / finish & at rest stops. You must go through all check points for your tracking profile to be updated. Friends & family will be able to view your progress through rest stops, and this link will be available via the **App** and the **website** on Thursday 15th May.

### 'WhatsApp' & 'What 3 Words'

The route is relatively remote in places & post codes often don't work that well – so having access to (and knowing how to use) – **'WhatsApp'** location functionality and **'What 3 Words'** (which is a well-known location type app) are both very useful in case you need to give your specific location to a supporter or to our **Control Room**. Please check these out if you are not familiar with them and download these clever apps on to your phone!

### Food & Drink at the Challenge Rest Stops

All dietary requirements are catered for (ask if it's not apparent!) and if you want more food at the main rest stops PLEASE ASK FOR IT as our catering team is there to help!

- **Start:** (*Corfe Castle*) – Hot drinks, biscuits + breakfast vendor
- ~ **25 km Stop:** (*Church Knowle*) – Full /  $\frac{3}{4}$  / 1<sup>st</sup> Half Challengers – picnic lunch
- ~ **25 km Finish:** (*Church Knowle*) – 1<sup>st</sup> Quarter finishers – picnic lunch
- ~ **58 km 'Halfway' & 1<sup>st</sup> Half/ 2<sup>nd</sup> Quarter/ Marathon Finish:** (*Weymouth*) – Hot meals with choice
- ~ **83 km Stop Saturday:** (*Abbotsbury*) – selection of hot/cold food
- ~ **83 km Stop Sunday:** (*Abbotsbury*) – picnic lunch
- **Finish:** (*Bridport*) – Hot Meal for all finishers
- **Other Minor Rest stops:** Good mix of snacks (inc. bakery / fruit / cut fruit / protein bars / chocolate / sweets/savoury) – and hot drinks / water/ squash / energy drink.

If you have a favourite snack which 'hits the spot', perhaps keeps you going when you might not feel like eating other food – then it's not a bad idea to bring some of it with you! Please clear & dispose of all **your rubbish** in the sacks / bins provided at all the venues.

**Please note:** rest stops & distances may vary depending on which distance you are taking on, please refer to the website [HERE](#) for exact rest stop distances for your specific challenge distance.

### Medical Facilities

Our team of medics will be at all the Rest Stops with mobile resources deployed for any serious incidents. You should bring your own small first aid kit and always deal with blisters as soon as you feel a 'hot spot' (do not wait till you get to a rest stop!). There is a **massage service** at the Weymouth 58 km 'halfway' point & at the main finish in Bridport (*10 min slots – booked on arrival at that venue*)

### FINISH LINE & DEPARTING

All finishers will get a well-earned medal, some fizz and a meal.

### ***1st Quarter Challenge finish line - Bucknowle Farm, Church Knowle, near Corfe Castle, Dorset, BH20 5PQ***

Picnic lunch & selection of hot drinks available. There are shuttles available back to our main Corfe Castle car park & to Wareham train station (prices are available on the website). Supporters will be able to park at Bucknowle Farm (to pick you up) but will not be allowed in the main marquee area (there will be a separate area).

#### **[Google Map Location for Bucknowle Farm >>](#)**

### ***1st Half & 2nd Quarter, Marathon Challenge finish line - Lodmoor Country Park, Weymouth, DT4 7SX (event parking is through the 'Beach Car Park' - Pay & Display)***

Selection of hot food available + massage and medical teams just in case. There will be optional transfers back to the Corfe Castle start car park, **OR** to the Weymouth 'Halfway' car park. Supporters will be able to park at Bridport (to pick you up) but will not be allowed in the main marquee area.

#### **[Google Map Location for Bridport Finish >>](#)**

### **Note - Runners / Fast Joggers:**

Runners on the Full 100km Challenge will finish somewhere between 6:00 - 11:30pm on Saturday. There will be set times for any of the pre-booked transfers on Saturday evening & early Sunday (as it's just not possible to run a frequent 'on demand' service at the rates we are charging). Thus you may have to wait up to 3 hours (max) before there is a suitable transfer vehicle. For those arriving at the finish line when the trains will not be running, there will be a quiet area available for participants to rest until the first train on Sunday morning. Please bear in mind that as the runners arrive relatively spread out at the finish line, the finish line can be quiet at times (so do ask your supporters to join you!)

## **DROP OUT PROCEDURES, CUT OFFS, RULES**

During the event there will be a **Control Room** in operation. Please ensure that you save the important phone numbers prior to the Challenge.

**Emergency No.** (If you're injured but non-life threatening): **0203 422 4357**

**Control Room No.** (For non-emergencies i.e. you are lost): **0207 609 6695**

**Drop out SMS / WhatsApp** (To say you're retiring etc.): **07931 466138**

**Life Threatening Incidents - CALL 999** first, **then** the emergency no. above

### **Kit & Foot Care Advice**

Problems with feet tend to be the main reason why participants are forced to drop out of an Ultra Challenge - blisters / bruised toenails / general sore feet. Deal with 'hot spots' as soon as you are aware of one - don't wait! Make sure to cut your toenails before the event and that your footwear is broken in & not too tight. Tape up areas of your feet that you know cause problems, change your socks regularly, and maybe have a spare pair of loose trainers if your feet need a break! (Use the baggage service).

We'd also like to advise (or warn!) that on the Full or 2nd Half Challenge, there's a 2.5km section of pebble beach (far west end of Chesil Beach) so sturdy footwear is best & walking poles are recommended for this section (helps avoid back & knee aches!).

### **Exiting / Retiring from the Challenge**

If you need to exit / retire from the Challenge, please inform Event Staff or send a Text SMS to the number provided on the Route Card - procedure details below. The ideal place to retire is at any Rest Stop, so unless it is an absolute emergency, please do your best to carry on to one of these stops.

There will be shuttle buses picking up those who have retired from the event from the 25k rest stop (Bucknowle Farm) onwards. Depending on where participants retire the shuttles will either take you to the Halfway point (Lodmoor Country Park) or to the 100km Finish Line (Bridport). Buses will be doing round trips stopping at all rest stops along the route, so this may involve a wait during busy times. Participants who choose to retire are also welcome to organise a taxi/uber themselves if they so choose.

### **If dropping out at a Rest Stop / Mid Point**

Go to the '**Information Point**' and hand in your Event Pass. Staff will provide details of shuttle services or other ways to exit. The shuttle service is only available from the 25km point onwards. Before that point, retirees will need to

make their own travel arrangements, unless in an emergency when we will have vehicles and medics available.

### If exiting the event on the course

If you need to exit / retire from the challenge, please inform event staff OR text the 'Drop Out' number provided on the Event Pass with your **NAME, BIB NO. APPROX KM** and **TIME**, along with the words 'DROPPING OUT'. Please include details for team mates also exiting the event if applicable.

### Other pick-up points

If you are physically unable to make it to the next rest stop - we will have a number of strategically designated 'pick up points' (that our vehicles can access) - which will be detailed on the Google route map (and detailed on the route card, and the Control Room can direct you). Pick-ups from these points will just move you to the next rest stop - and at that point **your challenge will finish** (they cannot be used to 'get a lift').

### Cut off Times

The event will have cut off times based on a maximum walking time for each challenge. Please see a breakdown of the different challenge options and related maximum walking times. Please use this table as a guide and pick an appropriate start time to enable you to meet the cut off times. Please note that rest stops may also operate cut off times to help keep all participants on track.

JCC					
Challenge	Distance	Max Walking Time (hours)	Finish Location	Finish cut off time	Day
FULL	100	34	Bridport	21:30	Sunday
Three Quarter	76	25.5	Bridport	21:30	Sunday
1st half	58	19.5	Weymouth	5:00	Sunday
2nd Half	42	12	Bridport	21:30	Sunday

2nd Quarter	34	10	Weymouth	-	Saturday
Jurassic Marathon	42	12	Weymouth	-	Saturday
Bridport 10K	10	3	Bridport	-	Sunday

If anyone fails to meet any of these cut off times, the Organiser reserves the right to either withdraw participants from the Event or move participants forward to re-align back within the cut off times. We will, however, do everything we can to

ensure that anyone who wants to continue can do so as we are fully aware of what 'finishing' means to many.
