KEY PRE-EVENT INFO....

Start times

For anyone registered **before 28th April 2025**, you should receive your official allocated start time sent via **EMAIL** on Tuesday 29th April.

We will allocate start times as close as possible to the slot selected when registering and at most (in a few instances) there may be a half hour difference from that original choice.

If you signed up as a Team, members will be allocated the same start as the Team Captain. If you've **NOT** received your Start Time Email by 6pm Wednesday 30th April, check your junk inbox first and then check that **your name** is on the Start Time List (which is in the App). If it is, your Start Time is detailed there, and there's no reason to worry or contact us as that time will be confirmed on your **E-Ticket**.

If your name is **not** on the Start Time List, **OR** in legitimate **exceptional circumstances**, you'd like to request a '**Start Time Amendment**', **OR** there seems to be a problem with some of your Team's start times, then please complete the **online form** available on the app. **PLEASE NOTE** that due to logistical limitations, there are certain start times on several distances and within some teams that cannot be changed.

Anyone who has registered on **29th April or after**, your start time will be confirmed on your event '**E-Ticket**' (which will be sent to **ALL** participants on **14th May**).

YOUR START

You'll be called into the 'Start Pen' about 15 mins before your official start time for photos, a safety briefing, and warm up. Then you'll be set off in a wave of about 250 or so challengers (for those on the Saturday start slots)

Supporters at the Start

Supporters are welcome at the start - but are not allowed in the marquee area, and there will be a separate 'Supporter Zone' (with tea / coffee)

THE ROUTE

Will be marked with pink arrows, ribbons, flags & signs. Equally important - you'll have access to a **Google route map via the Challenge APP** (and a QR code on the Route Card). A mobile phone is therefore **essential** & ideally with a back-up battery pack - which are readily available these days! With the right phone settings, your 'blue dot' location shows up relative to the route so you'll always be able to figure where you are!

Google Map (s)

These will be finalised & enhanced with useful information.

GPX file

You will be able to download the final GPX file of the route to upload into GPS type devices (Garmin's etc). This will be available the week prior to the challenge via the App & website.

[CLICK HERE TO VIEW 'ROUTE' >>>](#)

NOTE: The Route(s) is **subject to change** in the lead up to the event and potentially close to the start date - so please always follow the **signage on the day**. We've plotted the route on various devices to get the 'best' plot, and please be aware that some GPS devices tend to overstate distance on relatively slow, long, walking / hiking type activities. It's best to turn off the device when you are stationary for long periods (i.e. - at rest stops)

Hazards on Route

Hazards exist in many guises - on footpaths, pavements, and on roads! Look out for: Traffic (cross roads in the correct places); slippery surfaces on footpaths (it may be wet); stiles (can be tricky); steep slopes; other pedestrians / dogs. Darkness / nighttime brings additional challenges - so you **must bring a head torch!** Be careful and always be on the cautious side. Look, listen & think ahead, as for most this event is NOT a race and we want to see everyone in safely at the finish line!

Timing & Tracking

You'll be issued with a timing pass & lanyard to be worn around your neck. This will be scanned at the start / finish & at rest stops. You must go through all check points for your tracking profile to be updated. Friends & family will be able to view your progress through rest stops, and this link will be available via the **App** and the website on Thursday 22nd May.

'WhatsApp' & 'What 3 Words'

The route is relatively remote in places & post codes often don't work that well, so having access to (and knowing how to use) **'WhatsApp'** location functionality and **'What 3 Words'** (which is a well-known location type app) are both very useful in case you need to give your specific location to a supporter (i.e., to meet or pick you up) - or to our **Control Room**. Please check these out if you are not familiar with them - and download these clever apps on to your phone!

Food & Drink at the Challenge Rest Stops

All dietary requirements are catered for (ask if it's not apparent!) and if you want more food at the main rest stops, PLEASE ASK FOR IT as our catering team is there to help!

- **Start:** (*Richmond*) - Hot drinks, biscuits, bananas (*Plus a breakfast vendor*)
- **~ 25km:** (*Oaks Park*) - picnic meal.
- **~ 56km 'Halfway' & 1st Half Finish:** (*Tulleys Farm*) - Hot meal (*variety of choice*)
- **~ 80km Stop (Saturday):** (*Wivelsfield*) - Selection of hot/cold food.
- **~ 80km Stop (Sunday):** (*Wivelsfield*) - picnic lunch selection.
- **100 km Finish:** (*Brighton*) - Hot meal for all finishers (or breakfast - depending on time)
- **Other Rest stops:** Good mix of snacks (inc. bakery / fruit / cut fruit / protein bars / chocolate / sweets / savoury) - and hot drinks / water/ squash / energy drink.

If you have a favourite snack which hits the spot, perhaps keeps you going when you might not feel like eating other food, then it's not a bad idea to bring some of it with you! Please clear & dispose of all **your rubbish** in the sacks / bins provided at all the venues.

Medical Facilities

Our team of medics will be at all the Rest Stops with mobile resources deployed for any serious incidents. You should bring your own small first aid kit and always deal with blisters as soon as you feel a 'hot spot' (don't wait till you get to a rest stop!). There's a massage service at the Tulleys Farm 56km 'halfway' point & at the main finish in Brighton (10 min slots - booked on arrival at that venue)

FINISH LINE & DEPARTING

All finishers will get a well-earned medal, a glass of fizz and a meal with a soft drink.

Picnic lunch. There are optional shuttles available to Sutton Station. Supporters will be able to park at Oaks Park but will not be allowed in the main marquee area (there will be a supporters area).

Note - Runners / Fast Joggers:

Runners on the Full 100km Challenge will finish somewhere between 4:30 - 10:30pm on Saturday. For those arriving at the finish line when the trains are not running, there will be a quiet area available for participants to rest until the first train

on Sunday morning. Please bear in mind that as the runners arrive relatively spread out at the finish line, it can be quiet at times (so do ask your supporters to join you!)

DROP OUT PROCEDURES, CUT OFFS, RULES

During the event there will be a Control Room in operation. Please ensure that you save the important phone numbers prior to the Challenge.

Emergency Number (if you are injured but non-life threatening): **0203 422 4357**

Control Room No. (For non-emergencies i.e., you are lost): **02076096695**

Drop out SMS / WhatsApp (To say you're retiring etc.): **07931466138**

Life Threatening Incidents - CALL 999 first, **then** the emergency no. above

Exiting / Retiring from the Challenge

If you need to exit / retire from the Challenge, please inform Event Staff by sending a text to the number provided on the Route Card - procedure details below. The ideal place to retire is at any Rest Stop, so unless it is an absolute emergency, please do your best to carry on to one of these stops.

There will be shuttle buses picking up those who have retired from the event from beyond the 25km Oaks Park rest stop to take you to a local station or to other venues where you may have parked. However, these buses will be doing round trips stopping at all rest stops on the route, so this may involve a wait during busy times.

If dropping out at a Rest Stop / Mid-Point

Go to the **'Information Point'** and staff will provide details of shuttle services or other ways to exit. The shuttle service is only available from the 25km point onwards. Before that point, retirees will need to make their own travel arrangements, unless in an emergency when we will have vehicles and medics available.

If exiting the event on the course

If you need to exit / retire from the challenge, please inform event staff OR text the 'Drop Out' number provided on the Event Pass with your **NAME, BIB NO. APPROX**

KM and **TIME**, along with the words **'DROPPING OUT'**. Please include details for team mates also exiting the vent if applicable.

Other pick-up points

If you are physically unable to make it to the next rest stop, we will have a number of strategically designated 'pick up points' (that our vehicles can access). Pick-ups from these points will just move you to the next rest stop and at that point **your challenge will finish**.

Cut off Times

The event will have cut off times based on a maximum walking time for each distance. Please see a breakdown of the different challenge options and related maximum walking times. Please use this table as a guide and pick an appropriate start time to enable you to meet the cut off times. Please note that rest stops may also operate cut off times to help keep all participants on track.

L2B					
Challenge	Distance	Max Walking Time (hours)	Finish Location	Finish cut off time	Day
FULL	100	34	Brighton	21:30	Sunday
Three Quarter	75	25	Brighton	21:30	Sunday
1st half	58	17	Tulleys Farm	3:30	Sunday
2nd Half / Sussex Marathon	42	12	Brighton	21:30	Sunday
1st Quarter	25	7.5	Oaks Park	17:30	Saturday
2nd Quarter	33	9.5	Tulleys Farm	-	Saturday
Brighton 25K Loop	25	7.5	Brighton	-	Sunday

If anyone fails to meet any of these cut off times, the Organiser reserves the right to either withdraw participants from the Event or move participants forward to re-align back within the cut off times. We will, however, do everything we can to ensure that anyone who wants to continue can do so as we are fully aware of what 'finishing' means to many.
