

UK's #1 Event Series

High-quality, "oven-ready" events to energise & motivate your Team, without the hassle & steep costs of organising your own, or the risks with unproven suppliers. An Ultra Challenge gets colleagues active & bonding on a fun, accessible, safe, professionally managed outdoors event - ideal for a wide range of ages & athletic abilities; making them inclusive, and a perfect way to boost wellbeing, engagement, loyalty, and maybe fundraise for your 'charity of the year'.

Teams from 400+ UK companies involving more than 5,000 employees will join an Ultra Challenge in 2025. Teams can be of any size - take on a distance that suits them at their pace, or mix & match distances to suit a range fitness levels or ambition.

There are 20 fantastic events to choose from - each with its own unique character, and a standard set of options to make it easy to join & take part. Special hospitality packages are also available if you want to make it your own special event!

Get your team together after work on a Friday, to take on either a spirited 10 km or an energetic 10 mile looped route walk through the heart of London as darkness falls and the Moon rises. Fundraise for charity or do it as a team-builder. Experience London in a different light, passing famous landmarks - including St Paul's, Westminster Abbey, Tower Bridge, the London Eye and more. A lively finish line awaits - with a glass of fizz & a special Moon medal - followed by some welcome hot food & drink.

Getting started

WE MAKE IT EASY FOR YOUR TEAM TO JOIN

We will create a branded web page for your team, with all of the relevant information on the event, such as locations, distances and other options. You will get your own custom sign up link, and we can also include the details of any charity you wish to support.

We understand that when booking up events in advance, there may be changes within your team that mean you need to swap places. There are no fees to change over team members, and you can secure as many places you need with one, low-cost deposit which is deducted from your final balance.

As the event organiser, you'll get reports showing who has signed up, meaning you can easily track team size and manage internal comms.

If you have a team of 10 or more colleagues take on the challenge together, this is the option for you! They can do a mix of distances. Secure the places for a low deposit, and only pay for the places you fill! The final balance invoice is raised 3 weeks before the event, based on the confirmed number of sign ups. We will create a custom registration page and confirmation email to suit your team, including any fundraising links or corporate messaging.

There are options to upgrade to a bespoke event App (for excellent branded comms!) or extra facilities, such as hospitality, for your team to create an "event within an event". Ask us for a quote!

Smaller teams or organising your own team - If your company will not be covering your entry fees, then we can set up a simple corporate team sign up link for you, with no deposit payable. Your team members will cover their own sign up fees when they register, and we will offer some key benefits, such as free team changes up to 3 weeks before, guaranteed team start times and your own custom sign up link.

Pricing & joining options

There are 2 ways for a corporate team to join an Ultra Challenge : Self Fund and pay for the places in full - OR - Fundraise for a charity to an agreed target & pay a lower registration fee (charity covers the balance of the place costs).

Fees can be paid for by the company (via an invoice from us), or by team members as they sign up online - or a mix of both (company pays a proportion / team members pay balance online). It's flexible, and we can tailor the payment setup & the associated team admin to suit your requirements.

SELF FUND OPTION - PARTICIPANT PLACE COSTS:

- **10 km or 10 mile Challenge: £49**

CHARITY OPTION - PARTICIPANT COSTS & FUNDRAISING TARGETS:

There are 2 Charity fundraising options, reflecting the balance between the registration fee level (paid by the company or /and the participant) and the charity minimum fundraising target (out of which the charity will pay the balance of the participant place costs). 'Mixed Funding' tends to be the popular choice - as the fundraising targets are more achievable in an 'office environment'.

i) Mixed Funding for Charity:

Reasonable charity fundraising target & you pay half the place cost as a Reg Fee (chosen Charity pays an equal fee to us).

- **10 km Challenge: £22.50 Reg Fee**
+ at least £70 charity fundraising

ii) Full Charity Sponsorship:

Pay a Low Registration Fee & do 'lots' of fundraising for your chosen charity (the Charity pays the place cost to us).

- **25 km Challenge: £20 Reg Fee**
+ at least £100 charity fundraising

Corporate Teams

Charity Fundraising

We work with over 600 UK Charities, and the Ultra Challenge Series has raised over £50 million for Charities so far. Corporate teams can support any of our listed charities, including our headline partners below.

If you want to support a charity who are not listed on our website, they can register with us with no listing fee. Simply get in touch and let us know the charity's details.
